INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Intercontinental Asset Management Group, Ltd.

We have audited the accompanying statement of financial condition of Intercontinental Asset Management Group, Ltd. (the "Partnership") as of December 31, 2007, and the related statements of income, changes in partners' capital, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Intercontinental Asset Management Group, Ltd., as of December 31, 2007 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

December 31, 2007

Note 1 - Summary of Significant Accounting Policies

Intercontinental Asset Management Group, Ltd. (the "Partnership") is a Texas limited partnership in which Intercontinental Asset Management Corporation (the "Company") is the general partner and has a 5% interest. The two shareholders of the Company are the limited partners and have 66.5% and 28.5% interests in the Partnership, respectively. The Partnership agreement provides for certain contributions of capital by the partners. Profits and losses of the Partnership will be allocated in proportion to the partnership percentages of the partners. The general partner will determine the aggregate amounts and the times any distributions will be made. The limited partners are not personally liable for any obligations of the Partnership. Offices of the Partnership are located in San Antonio, Texas.

The Partnership is a broker-dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Partnership operates under (SEC) rule 15c3-3(k)(2)(ii). The Partnership is engaged in the buying and selling of listed and over-the-counter stocks, retailing of mutual funds, buying and selling corporate, municipal, and government debt instruments, as well as options and futures. The Partnership's business is conducted with customers located worldwide.

The Partnership operates under a clearing agreement with Pershing LLC (Pershing), a Bank of New York Securities Group company, whereby Pershing clears transactions for the customers of the Partnership and carries the accounts of such customers on a fully-disclosed basis. The Partnership does not hold customer cash or securities in connection with such transactions.

Security transactions (and related commission revenue and expense) are recorded on a trade date basis.

Compensated absences have not been accrued because the amount cannot be reasonably estimated.

The Partnership's net income is passed through to the partners and reported on their Federal income tax returns; therefore, no provision for Federal income taxes has been made in the accompanying financial statements.

For purposes of reporting cash flows, the Partnership has defined cash equivalents as highly liquid investments, with original maturities of less than ninety days, that are not held for sale in the ordinary course of business.

Notes to Financial Statements

December 31, 2007

Note 1 - Summary of Significant Accounting Policies, continued

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Partnership is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2007, the Partnership has net capital of approximately \$1,203,987 and net capital requirements of \$100,000. The Partnership's ratio of aggregated indebtedness to net capital was .18 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

Capital distributions to partners can be made under a capital distribution policy approved by the Partnership's general partner. Periodic distributions approved by the Partnership's general partner are made to enable partners to pay federal income taxes on partnership profits, among other purposes.

Note 3 - Possession or Control Requirements

The Partnership does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(ii) by not holding customer funds or safekeeping customer securities.

Note 4 - Pension Plans

The Partnership has a SEP IRA plan covering substantially all employees. The Partnership may contribute amounts as determined by the general partner. The Partnership has accrued \$59,387 as a contribution to the plan for the year ended December 31, 2007.

Note 5 - Related Party Transactions

The Partnership is a member of a group of affiliated companies under common control and has extensive transactions and relationships with members of the

INTERCONTINENTAL ASSET MANAGEMENT GROUP, LTD.

Notes to Financial Statements

Note 5 - Related Party Transactions, continued

group. The existence of that control could create operating results and financial position significantly different than if the companies were autonomous. The Partnership, the Company, and other entities that are under common ownership share office space, certain employees, and fixed assets. Officers' salaries and other overhead expenses of approximately \$330,111 for the year ended December 31, 2007 were allocated by an affiliate under common ownership to the Partnership.

The Partnership serves as a conduit for fee payments from Pershing to an affiliated investment advisor. Funds are received from Pershing and remitted to the affiliate monthly. For the year ended December 31, 2007, the Company received, and subsequently remitted \$1,008,806. No amounts were due at December 31, 2007.

Note 6 - Concentration Risk

At December 31, 2007, and at various other times throughout 2007, the Partnership had cash balances in excess of Federally insured limits. Cash accounts at banks are insured by the FDIC up to \$100,000.

Note 7 - Commitments and Contingencies

Included in the Partnership's clearing agreement with its clearing broker-dealer, is an indemnification clause. This clause relates to instances where the Partnership's customers fail to settle security transactions. In the event this occurs, the Partnership will indemnify the clearing broker-dealer to the extent of the net loss on the unsettled trade. At December 31, 2007, management of the Partnership had not been notified by the clearing broker-dealer, nor were they otherwise aware, of any potential losses relating to this indemnification.

Note 8 - Subsequent Events (Unaudited)

In 2008, the Partnership will make distributions related to 2007 earnings of \$798,111 to the general partner and limited partners.

Independent Auditor's Report

On Internal Control

Required by SEC Rule 17a-5

Year Ended December 31, 2007

INDEPENDENT AUDITOR'S REPORT ON INTERNAL  
CONTROL REQUIRED BY SEC RULE 17a-5

To the General Partner  
Intercontinental Asset Management Group, Ltd.

In planning and performing our audit of the financial statements and supplemental information of Intercontinental Asset Management Group, Ltd. (the "Partnership"), as of and for the year ended December 31, 2007 in accordance with auditing standards generally accepted in the United States of America, we considered the Partnership's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we do not express an opinion of the effectiveness of the Partnership's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

CPAMERICA INTERNATIONAL AN AFFILIATE OF HORWATH INTERNATIONAL AND  
THE INTERNATIONAL ACCOUNTING GROUP (TIAG)

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of the General Partners, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
